I follow Shelly Hitz on Instagram and Skillshare because I love her motivating and inspiring art and Christian values. When I heard she wrote an interactive book about her life, I was really interested. I admire how open she is about her difficult past and how she keeps on persevering. Also, the set up of her book is cool! Before each chapter, Shelley has a link where you can watch a 45 minute-ish video while filling in some blanks. Next comes a short chapter, guiding questions, and it's accompanying coloring page. I recommend this for people 15+ who are looking for some encouragement to keep going and enjoy life. Thank you so much, Shelley!

I loved this book! It is beautifully written by Shelley Hitz, so creative, and Shelley goes beyond the scope of "just a book" (which is great in itself) to add discussion questions and videos corresponding with each chapter with lots of "meat" to think about. She shares transparently about her own life in the book and videos and encourages you to pursue God's purpose for your life. The videos are powerful and such a great bonus to the book. This has inspired me as an author to add video bonus material when writing my own books. I love the beautiful, creative cover, too! Wonderful book and highly recommend.

I can so relate to your brokenness. I so needed to read this book. I am a leader in my church and have always struggled with quiet time and Bible study. Pray with me that it will become a priority on my life.

This is a great study for those who are hurting and broken. Shelley shares her own experiences to show the reader how God took her brokenness and turned her into His masterpiece. There is hope for you and you can find it in Jesus Christ. There are many extras included and I highly recommend them all.

I recommend this book to anyone struggling to see they have beauty, value, and purpose after a life of heartache and brokenness. Shelley is open and honest about her personal struggles and reveals the many ways God is able to bring beauty from our ashes when we surrender all to Him. (Isaiah 61:1-3) I love that this book is simple, easy to read, and engages creativity through coloring pages. At the end of each chapter, you will find a section for self-reflection and life-application to help make

it more personal for the reader. I will be recommending this book to ministry clients that struggle to see how God could bring anything good from their pain-filled past.

Shelly is honest and sincere in this beautifully written resource. If you struggle with overcoming your past mistakes and moving forward to fulfill your purpose in Christ, this book is for you. This was timely for me as I am pursuing what God has called me to do and was questioning whether I should because of my failures. Thank you, again, Shelley for your faith and boldness to embrace the promises and forgiveness of God to answer your own calling -- I am eternally grateful! Blessings,
Cindy Nigro
