# Ancient Rome: A History From Beginning To End (Ancient Civilizations Book 1)

## Synopsis

Ancient Rome\* \* \*Download for FREE on Kindle Unlimited + Free BONUS Inside!\* \* \*Read On Your Computer, MAC, Smartphone, Kindle Reader, iPad, or Tablet.Rome is a city of myth and legend. The Eternal City, the city of the seven hills, the sacred city, the caput mundi, the center of the world, Roma, Rome, by any of her many names is a city built of history and blood, marble and water, war and conquest. Inside you will read about...â€“ Legendary Beginningsâ€“ The Senate and the Peopleâ€“ Ave Caesarâ€“ Empireâ€“ Rulers of the Worldâ€“ The Fallâ€“ LegacyFrom legendary beginnings, a city rose from the swamp surrounded by the seven hills and split by the Tiber River. Built and rebuilt, a sacred republic and a divine empire, blessed by a thousand gods and by One, the story of her rise and fall has been told and retold for a thousand years and is still relevant in todayâ€™s world, as echoes of her ancient glory have shaped our culture, laws, lifestyle and beliefs in subtle and pervasive ways.

## Customer Reviews

I'm having a lot of trouble deciding between three stars and four stars for this e-book Ancient Rome:

A History From Beginning to End. The e-book definitely head the majority of the high and low points of the ancient Roman Empire. The one glaring error I found was a statement that Christianity started as a sect in Rome instead of Jerusalem. The e-book listed the good and the bad emperors. Of course Julius Caesar and the Civil Wars prior to Augustus Caesar were covered. The book listed many of the things that were created by Rome that we still used today. Considering that this book is a history of ancient Rome that could be read in one hour the authors did a decent job. I would've liked to have seen a little bit more about the Civil War that took place prior to Julius Caesar being more than just a citizen of Rome. Still all in all I recommend this book and talk myself into four stars.

A very interesting book! I enjoyed reading all about how Rome really began and all thatit had to go through to stay The major city of the Roman Empire. I knew some of thisbut did not know what families were involved. I would recommend this book to anyonewho loves history!

This was a decent read but really cannot cover all of what Ancient Rome was. They do a good enough job on it but I find it rather light and skimming issues too much, but that is needed to cover the breadth of the information on Rome.An okay read for absolute novices.

Easy read and very helpful in terms of chronology, time frame. Enjoyable writing style. I was very satisfied with this!

clear, concise.

A well-written history book that reads andkeeps your attention like a novel.

Enough detail to be interesting. Easy read, 1 e 3 4 5 6 7 \$ % # 9 y t

Another good book for a high school book report. Another good summary!
