## **Customer Reviews**

This music book/storybook is beautiful and charming. The piano score is an easy version which should only require intermediate piano skills. A real delight to my 4 yearold music lover granddaughter who saw a CURIOUS GEORGE episode on PBS which featured the Humperdink opera.

The illustrations are terrific and I love the way the music is presented. It arrived early and looks great. I am happy with it.

Books of this quality are rare. The action of the Grimm brothers fairy tale and short excerpts of the music from the Humperdinck opera transcribed for easy piano playing combine to make an exciting adventure for young children.
