excellent russian travel guide

Latest edition but old now. Still very useful except some restaurants recommended no longer exist.

good information and very complete. I guess I will know even better after I take my trip to St Petersburgh in June

The Rough Guide to St. Petersburg 6 (Rough Guide Travel Guides)A well-written, thorough guide to one of the most enchanting cities in the world.

we are finding this guide to be a good choice for our 4 day upcoming (aug, 2009) visit to st petersburg...it has all the essential info that we desired to make this a perfect quick visit to this hopefully charming city of former opulence...

Rough Guide- as always, super! lots of obscure sights - just the way I like it.
