Meats #315 in Kindle Store > Kindle eBooks > Cookbooks, Food & Wine > Regional &

International > U.S. Regional > South

Customer Reviews

I love chili all year long but it is always better in the colder months and for this reason I cook it in winter and save it to enjoy in spring and fall as well as on hot dogs in the summer. These chili recipes are really delicious and the many chicken chili recipes are also better for you. Thank you and enjoy your meal and enjoy your day.
