Maui Time (The Island Breeze Series Book 4)

Synopsis

On the tropical Valley Isle of Maui, everything is done at the speed of "Maui Time"--when someone gets to it. For Dr. June Kato, it means her baby will be born when it is good and ready to finally join the family. And it might not be at the most convenient time! Only days before her due date, pregnant June Kato is at the end of her wits when her home is invaded by poisonous creatures. Ordinarily tougher than nails, June's real concern is about her baby only days away from being born. Concerned pregnant women all over Maui have been dying from scorpion stings, June steps in to find out this little piece of paradise is under attack. Can she find out what--or who--is responsible for the untimely deaths before her own baby comes? And what will she risk to bring it to an end?

Customer Reviews

June and Henry are expecting a baby! Meanwhile other pregnant women on the island are dying of scorpion bites and June is scared. All of this leads to a mystery, a family reunion, and a good read. The book needs a better job of editing for spelling errors, otherwise a fun read.

Scorpions are to blame for the deaths of pregnant women, but it doesn't add up. June Kato investigates and.... well, I don't want to ruin it. I was late for work this morning because I couldn't put the book down. I needed to know what was killing the pregnant women. And when June got too close to the truth, I just had to finish it. Great read! ~Margaret T.

This is the fourth in a series.. With Fine story line and the culture of Hawaii, the Writing flaws in the first can be overlooked. Her writing improves with the second book.. The plot hooked me in the first book. Now that I have finished the fourth, I find myself anxiously awaiting the fifth. Do read them in order.

I have been following the June Kato series since book 1. To get to this point where she delivers the baby had me up all night! The baby's delivery had me on the edge! Can't wait to see what happens in the next book with baby on board!

Couldn't put it down. The story sucks you in and won't let you go till the end. When it's over you want the next one and the next and so on! Give me MORE!

Enjoyable series, recommended! I've read all of Kay Hadashi's books and enjoyed every one!

One of my favorite authors for Hawaii adventure.

Between the typo's and the immature, self righteous, obnoxious attitude of the main character I just can't continue to try to power through these books.
