I purchased this book after it was recommended by a friend. She raved about it and so I purchased it. I love how the book is sectioned into different categories of prayers. You really learn how to be deliberate with your prayers. I got the book in the digital format so that I could be sure to have it with me pretty much everywhere that I go.

Prayer Rain book is a book that includes prayers for various topics from A-Z that help navigate and kind one through the power of prayer.

This is a fantastic book for deliverance, it has so many things in it that we are not aware of as Christians, things that hold and keep us in bondage and stop us from obtaining our blessings and reaching our full potencial as successful Christians. GOD never intended us to be poor, to have ill health and to be unhappy, this book Prayer Rain has prayers that can help us break the bondages that bind us from living successful lives with GOD. I highly recommend this book to anyone who is and has family and friends that are struggling to get ahead.

Praying with this book has renewed my faith now I know all my worries has disappeared I'm healed in the name name of Jesus and I shall not want because all I have asked in the name of Jesus God gave it to me. I am blessed thanks be to God

I love this book. It terrifies satanic people and scared them away into oblivion. ÆÇÂ Â<It sanctifies your surroundings. By fasting and following the stipulated instructions all the evil yokes that are threatening you are broken. This is one book that has become my bed mate ever since I bought a copy

I absolute love this book. It was initially gifted to me by a friend, and I loaned it to someone. Of course I didn't get it back but I wasn't worried, it's not the type of book you should want back if you loan to someone. Trust me! I purchased another one and my mom took it over...LOL! Recently I purchased another copy for myself and one for a friend's birthday. I will be buying more of this book obviously.
