# The Lyrics Of Leonard Cohen

## Synopsis

When his first album made him an unlikely star in the late 1960s, Leonard Cohen was hailed as the new poet of song. His melodies were hauntingly melodic but his lyrics were like no one else's - poignant, romantic, mystical and darkly comic. Already a poet and a novelist, Cohen had found another calling in song..."The Songs of Leonard Cohen", "Songs from a Room" and "Songs of Love and Hate" were the titles of his first three albums. Eight more would follow over the next 40 years. In this collector's edition, can be found the lyrics to over 100 of those classic songs, many of them now recorded by new generations of singers that include U2, Nick Cave, Rufus Wainwright and Teddy Thompson. This unique collection demonstrates why.

If you like his music you will appreciate knowing all the words. He was a true poet and filled with a great spirit. Book is well put together, arrived quickly and in perfect condition.

I purchased this kindle book Nov 30 and it still won't download. The sample will download but not this book. Very annoying.

My go to reference for Leonard Cohen's songs. A must have for the Leonard Cohen fan.

This is great, love that it is linked to Spotify

I love Leonard Cohen and his lyrics.

I attended the Concert by Leonard Cohen in Florence, Italy on September 1, 2010. It was then that I thought I would have liked to have a book with the lyrics of his songs. This book which I found on was exactly the one I was looking for. English is not my mother tongue and with this book I can say that I do not miss a single word of the magnificent lyrics by Leonard Cohen.

I am a huge fan of Leonard Cohen and to be able to see the lyrics as he sings is a bonus. After following along with the song, the lyrics pull the whole piece together.

Beautiful book! THANK YOU!
