Customer Reviews

Photo Book

Purchased for a couple spending their honeymoon in St. Thomas, so they could enjoy these wonderful pictures and not worry about always getting the perfect picture themselves or the weather while traveling. They love it!!

Beautiful book, was in great condition.

Beautiful photos and enough history and local tidbits to make this book totally worthwhile! Love it!

Have been to St. Thomas many times and this book captures a great deal of the beauty and personality.

Awesome book !!
