Let The Circle Be Unbroken

Synopsis

A stunning repackaging of a companion to Mildred D. Taylor's *Roll of Thunder, Hear My Cry*, with cover art by two-time Caldecott Honor Award winner Kadir Nelson! It is a frightening and turbulent time for the Logan family. First, their friend T.J. must go on trial for murder--and confront an all-white jury. Then, Cousin Suzella tries to pass for white, with humiliating consequences. And when Cassie's neighbor, Mrs. Lee Annie, stands up for her right to vote, she and her family are driven from their home. Other neighbors are destroyed and shattered by the greed of landowners. But through it all, Cassie and the Logans stand together and stand proud--proving that courage, love, and understanding can defy even the deepest prejudice. "This dramatic sequel to *Roll of Thunder, Hear My Cry* is a powerful novel . . . capable of touching readers of any age." *"The Christian Science Monitor"* "A profoundly affecting novel." *"Publishers Weekly"*

Customer Reviews

"Miss Taylor conveys the textures of life among black as well as white and writes not with rancor or bitterness over indignities but with pride, strength, and respect for humanity." *"The New York Times"* "A profoundly affecting novel." *"Publishers Weekly"* "The fear, cruelty, and the bewildering injustice of a hopelessly racist society are transcended by a family's strength, self-respect, and

determination. The characters, both young and old, in all their variety and individuality come alive with penetrating humanness, while the effect of the storytelling is intensified by a lean, understated style and made more poignant by touches of lyrical sensitivity."â "The Horn Book" This is fine writing, and readers will be moved by the intense drama of individual scenes and by their historical significance."â "School Library Journal" A vivid, complex, carefully crafted, moving novel."â "Children's Book Review Service" The Logans's story will strengthen and satisfy all who read it."â "The Christian Science Monitor

Mildred D. Taylor is the author of nine novels including The Road to Memphis, Let the Circle Be Unbroken, The Land, The Well, and Roll of Thunder, Hear My Cry. Her books have won numerous awards, among them a Newbery Medal (for Roll of Thunder, Hear My Cry), four Coretta Scott King Awards, and a Boston Globe-Horn Book Award. Her book The Land was awarded the L.A. Times Book Prize and the PEN Award for Children's Literature. In 2003, Ms. Taylor was named the First Laureate of the NSK Neustadt Prize for Children's Literature. Ms. Taylor now devotes her time to her family, writing, and what she terms "the family ranch" in the foothills of the Rocky Mountains. Kadir Nelson (www.kadirnelson.com) is a two-time Caldecott Honor Award recipient. He has received an NAACP Image Award, a CASEY Award, the 2009 and 2014 Coretta Scott King Author Award, and the 2009 Robert F. Sibert Informational Book Award. Among Mr. Nelson's other awards are gold and silver medals from the Society of Illustrators. His work has appeared in The New York Times, Sports Illustrated, and The New Yorker. He lives in Los Angeles.

When someone claims that they cannot understand racial tensions today, just hand them this book and invite them to read...

This is a great book! It holds more meaning if you read "Roll of Thunder, Hear My Cry" first. Just be aware that the 'n' word is used in this book due to the era and location in which the story takes place.

great books, great author! bough the entire series for my daughter.

Loved every one in the series so far.

Got the book on time. Protected real well. Like it a lot.

My daughter has been asking about race relations lately. She's not a big reader, but this book kept her interest and started several great discussions.

My daughter absolutely loves this book. If you know the story/saga of the Logan family, you will love this book. My daughter says it has lots of descriptive words, is very informative about how people were treated earlier in our nation's history.

Let the Circle Be Unbroken was an outstanding book.
