The Cruising Guide To Abaco, Bahamas: 2017

Synopsis

This twenty-eighth edition of the only annually updated cruising guide to Abaco includes many updates of the 81 navigational charts and marina maps in the book. The accurate easy-to-read color charts are based on original hydrographic research and 40 years of local knowledge, and they are the only charts which show locations of submerged power lines and "do not anchor zones" in the central part of Abaco. The book also includes recent color aerial photographs of all principal harbours and a proven system of GPS waypoints. Its organization makes it easy to use it is the clear choice of most cruisers and the best selling guide to Abaco. Includes tide tables for 2017, detailed snorkeling/diving charts, up-dated business directories for Abaco, articles on fishing, an offshore bathymetric fishing chart, a lunar calendar for 2017, a guide to the dolphins and whales of Abaco, a brief history of Abaco, and helpful local advertising

Customer Reviews

The Cruising Guide to Abaco is a wonderful help on board as well as for planning a sailing trip in the Abacos. It has all the necessary charts for approach planning and nice aerial images showing the way to anchorages. To make navigation easy there is an outstanding set of GPS waypoints you can use with the boat's plotter. An exceptional help are the charts of dive moorings and dive spots to find all the dive spots on your own not being dependent on the dive shops and their preselected dive spots schedule. I wished this guide would be regularly available in Europe as well. 2015 --.com

Great guide. Everything you need to know on your trip to Abaco even if you're not a cruiser! 2015 --.com

We haven't arrived in the Abaco Islands yet, but feel this will be a great help in navigating the islands & local services. We are passing it around for my sons to get familiar with the waters as we will rent 2 boats. The reefs are marked, snorkeling. Does seem to have a lot of ads!!

Great book, awesome charts and photo's. Totally impressed with all the information in this book. It will be invaluable for our sailing trip.

very informativeloaded with important gps coordinates

Indispensable book -- we are looking forward eagerly to referencing it while sailing the Abacos next December ...great transaction.

A must have for Abaco trip

Great book. Indispensable guide to the Abacos. Lots of useful information and plenty of GPS co-ordinates

A very thorough guide for anyone visiting Abaco -- whether by land or sea! Lots of great, up to date information, including a directory of businesses, tide charts, etc. We will definitely put this to good use.

Our bible for sailing in the Abacos. Highly recommended and so well researched
