Best Sellers Rank: #1,083,583 in Books (See Top 100 in Books) #57 in Books > Cookbooks, Food & Wine > Regional & International > European > Russian

Customer Reviews

Elena Makhanko was born in Leningrad/St Petersburg and learned to prepare Russian food from her grandmother who read cookbooks to her, and her mother, who was a skilled cook. Elena and her mother and grandmother still enjoy cooking together whenever they can. Elena has continued cooking throughout her career and has written for various food magazines and also published several books about food.

good recipes

There are some good recipes in this book.

Can't wait to try some of these recipes.

Very pleased

Beautiful book!

I'll be trying several of these recipes.

CUTE little book with some interesting recipes inside. I also enjoyed reading about the staples of Russian cuisine. Can't wait to try some of the recipes. Only issue is some of the ingredients will be hard to locate. (aka rabbit, venison).

It's a good recipe book. I'm originally from Russia but I've lived outside for a long time. Now I live in Asia and this book allows me to ask my maid (who doesn't speak Russian) to cook something from the Russian cuisine (although I don't recognize some dishes but they are still very nice). Also, as it has illustrations, it helps my maid to know what the final product should look like.
