Ready-to-Use Old-Fashioned Illustrations Of Books, Reading And Writing (Dover Clip Art Ready-to-Use)

Synopsis

Commercial artists, craftspeople, and do-it-yourselfers will have an unlimited supply of book-and-writing-related illustrations at their fingertips with this handy, inexpensive volume. Selected from rare turn-of-the-century sources (Harper's Monthly, Scribner's, Punch, La Vie Parisienne, Life, and other periodicals), 347 royalty-free cuts offer delightfully nostalgic renderings of men, women, and children reading and writing at desks, under trees, at the beach, in libraries, on romantic window seats, before the fireplace, in wicker armchairs, and in numerous other settings. You'll also find useful spot illustrations of reading and writing paraphernalia from days gone by as well as a gallery of 20 distinguished literary figures â " Cervantes, Byron, Shelley, Wordsworth, Shakespeare, Tennyson, and others.

Customer Reviews

Was doing a themed birthday party event on "All Things Literary", and used the illustrations in this book for artwork and gift tags (scanned pages so I didn't need to cut up the book). A ton of great art designs on literary themes of writing, reading and famous authors. Great source, and at a great price!

These are beautiful vintage images made with a sturdy paper. I love that they're one-sided so you get to use every image! I've been using them for bookmarks and it's just what I needed for my

project.

This book is a sheer delight. Included are images that I coveted on rubber stamps that were too expensive, and now I have them all in this book. I have been looking for male images seated at a writing desk, for a scrap booking page for my son. Most of the seated men are older and quite developed in their belly region, but the portraits of Shakespeare and other writers of note, will work just find. This book overflows with great female images. Love the book and I would buy it again!

didn't expect to see so many anatomy images as well as murder images which I don't need and wish I didn't purchase. I actually clipped these pages out as they were not encouraging to my creative spirit.

An excellent resource and the styles are nicely assorted, covering a broad range of thoughts and feelings.

I received this book directly from . It was used and described as "good

Just wanted to say how happy I am with my order...Fast Delivery & looking forward to ordering again in the future!

Need an illustration of a medieval woman perusing a book? A famous person of literature like William Shakespeare? An imp sitting on a stack of tomes? Or something more mundane, like an open-faced book or a bottle of ink? This book contains that and more. The quality and quantity of these charming black-and-white illustrations is as impressive as the title is self-explanatory.
