Naughty By Nature: The Lowells Of Honeywell, Texas Book 2

Synopsis

Introducing Book 2 Of the Lowells of Honeywell, Texas series! Be prepared for hunky men in uniform and strong women refusing to be in distress. This is a sexy male/female book with a happy ever after! No Cliffhangers here! Cheyenne has too much on her table to even consider letting a man into her life, especially now that it seems her abusive ex is sniffing around her daughters. Sheâ™s terrified that heâ™s going to want to insert himself into their lives again. Sheriff Sheridan Lane was unable to rescue the beautiful Cheyenne in time seven years ago, but heâ™s going to do everything in his power to make sure she and her girls stay safe this time around. The best way to do that is to move them into his house where he can keep an eye on everything. His own daughter isn't wild about the prospect, but even she starts to come around. Once theyâ™re under his roof, itâ™s so easy to envision the temporary turning into the permanent. He vows to catch the bad guy, but what else will he have to do to prove heâ™s the man for Cheyenne?
