Salsa Teachers Guide Book (Salsa Instruction 1)

Synopsis

A teacher's guide covering everything from the origins of Salsa; different styles of salsa dancing, a 20 week learning syllabus of moves from Cuba, New York, LA and Colombia, teaching methods, learning styles and how to start your own salsa dance practice. This book starts with my personal experience of salsa dance and explains the history of salsa from a worldwide historical view point. It traces England's influence on the roots of salsa dancing and the development of the UK salsa scene. This book is divided into practical guidance and theoretical exercises. The book will tell you about the different ways to teach salsa, the rules and regulations you must follow and how to set-up a salsa dance school. It shows you everything you need to set yourself up as a salsa dance teacher.

Customer Reviews

This little book has a lot of good information about starting up any type of business, as well as any type of dance business. It's a little hard to read at times because it's written by someone with

English as a second language. But the information it contains is solid and good.
