## Customer Reviews

Yasssss once again Tina J executed this book. I enjoy reading this, I love the way Camari loved on Tracy no matter what they always say opposites attract and I really believe that was the case for these two. Derick was just crazy and I was so glad when they got rid of him. Poor Nia I didn't like the way she went out but what do you expect when you keep pushing people buttons. Jermaine and Mariah was crazy together and I would love to get a spin-off with them because I feel like they're story will have me laughing from beginning to end. I'm glad Nikki found love with Kenny but I still don't care for her too much because her whole attitude in this book was nasty but everybody deserves some type of love. It took long enough to get Mark but I'm glad they did. Overall this was a great read I have no complaints Tina J is a beast with the pen.

These characters are something else. Nikki worked my last nerve with her nonsense. She just wouldn't give up. She tried Tracey every chance she got. She most definitely underestimated Tracey though. Nia and Derick both got everything they deserved. Nia made me sick with her games and Derick was too sneaky for me. That Anita chick needed several beat downs. She was extremely thirsty. Jermaine and Mariah were a trip. I laughed so much when it came to those two. Kenny was a good dude. He genuinely cared about Nikki, but he definitely had his moments when he was fed up with her bs. Camari and Tracey were made for each other. Their relationship would make anyone mad. She loved his son as if he was her own and his son most definitely loved her as well. I loved how things ended! Everyone got their happy ever after!!

Good Ending to this series. I will say it seemed to go a little redundant. Derick, should have been dealt with a long time ago, Tracy at some point was just making me sick, for her being so stupid & naive with her concerns about her so called friend Na. Derick was a punk... But why did Marley, handle Nia the way he did?? Well Camari... what a man, who always put Tracy first, to keep her employed and away from harm. Nikki almost made me want her to miscarry, with her ol hateful, jealous self. Kenny just as dirty but with support from his job (LOL... Jeremiah & Mariah... LOL who moves someone, and gives Zero cares about what they have to say about it. Took too long to find Mark.. Great Job Ms. Tina

This book was electrifying! From the very beginning she pulls in and doesn't let go! It had it all! She keeps you guessing until the very end! Tracy & Cam couldn't catch a damn break lol! Cam was seriously nothing to play with when it came to Tracy & lil Cam! He clearly didn't care who it was! They didn't have nothing coming smh! Nikki, Derrick, and Mark was doing the damn most! I was so

sick of their behinds lol! Tracy wasn't nothing to play with either! I was mad because she never let Cam explain she'd just react! I was like if she don't have several seats. This book so many twists and turns it makes your head spin! I was so here for it

Tina J has done it again but that is to be expected. Everything she touches is CERTIFIED BANGERS, and I think this one will go in my Fav 5 by her. I absolutely love me some Cam is a real Boss he is very strategic with a long reach who goes hard for those he love. Him and Tracy's love is undeniable. Tracy may be a judge but baby she can rock with the best of them. I was truly disappointed with Nikki and I was secretly praying for her downfall but I'm glad she realized what she had with Kenny before it was too late. I hope there is a spin-off for Mariah and Jermaine or even Ty in the near future cause I would love to read more about them, but best believe anything Tina J puts out in reading cause I know it will be FIRE. I am a true FAN4LIFE!!!!

Always a great read. Glad Tracy got her man and family with happy ever after. Nikki should have ended up alone but Kenny really lived her....Looking for to the next series..... Great read...

Man i love me some Camari. He is bae all day. Him and Tracey I love their relationship. She made him change his whole life around. Lock down for sure. Jermaine and Mariah was the crazy couple. He loved his Mariah though. Derick was straight up crazy frfr. He got exactly what he deserved. Mark Nancy and Ashley learned the hard way. Don't mess with the plug. Nikki and Kenny was made for each other. After Nikki stop acting so crazy i started to like her more. Kenny put his foot down and it was a wrap. Tina J has done it again. Keep up the good work.

It seems everyone wanted to see Tracy suffer. Derrick finally was held accountable for his actions. Nia was so desperate and loony ass hell. Now Nikki deserved to feel those hands. She needed to get over herself before she lost Kenny. I loved how Camari read her and told her about herself.
