Mix-N-Match Social Studies

Synopsis

Teach popular social studies concepts with dynamic learning games. Students each get a Mix-N-Match card related to the topic. They move about the room quizzing each other and trading Mix-N-Match cards. You call, Freeze! They then rush to find a partner with the matching card. What is the capital of my state? What landform is this? Students enjoy mixing and matching so much, they hardly realize they are repeatedly quizzing each other and mastering the content.
