Customer Reviews

Wonderful collection for intermediate and advanced players. Most are transcriptions, but also includes the Haunted Castle from Pictures at an Exhibition, which was originally written for alto sax in the Ravel orchestration. Highly recommended.

I didn't get the solo book, only there accompaniment. Very disappointed

Great book of sax solos!

i bought this as a replacement copy since i can't find the piano score. i think this Teal collection is very good and fun to play known alto orchestral solos

Great book to learn from.

OK!

fun book for sax and piano.

Great combination of cherished melodies. A good pianist is all that's needed to make a memorable concert. Classical splendor well arranged.
