Release Your Creativity: Discover Your Inner Artist With 15 Simple Painting Projects

Synopsis

Awaken your inner artist! The owner of New York City's #1 art school for all ages and levels shows how we can all ignite our creative spark. In her more than 10 years of teaching art to people from all walks of life, Rebecca Schweiger has honed her ability to bring out students' creative spirit, regardless of their skill level or age. In *Release Your Creativity*, Rebecca teaches everyone how to create meaningful works of art with 15 step-by-step painting and mixed-media projects designed to get their creative juices flowing—no previous art experience required. These hands-on projects, coupled with inspiration and encouragement, help beginners explore and develop their individuality. The goal is to foster each artist's singular point of view, so that each finished project is a unique expression of the person who made it. With her warm approach and nurturing sensibility, Rebecca Schweiger will show you the thrill of putting paint on canvas and the freedom of releasing your distinctive vision.

Customer Reviews

Rebecca Schweiger proudly owns and operates The Art Studio NY, New York City's #1 art school for all ages and levels. Open since 2004, the school has garnered rave reviews from NBC, ABC, E!, the Village Voice, Manhattan Magazine, the Boston Globe, and many other media outlets, and is consistently rated as having the best art classes in New York City year after year. Her classes consist of students from across the country and around the world. She lives in New York, NY.

A wonderful book for anyone who likes to dabble in art or for a accomplished artist as well. It is written

with heart and soul by this lovely young lady who brings inspiration and creativity to all who read it. By all means buy this book. You will not regret it. Ed

This is a beautiful art book. The projects are fun and the explanations are very easy to understand. It's a great book if you have never picked up a brush and for those that have been creating for years. I can't wait to start creating!

A big disappointment.

I am so excited to have received my book *Release Your Creativity*. I was one of the early readers and I can officially say "run don't walk" to buy your copy. Rebecca combines artistic expression, with tools for personal growth. Trust me, your mind, body and soul will thank you for giving yourself this gift!

What a wonderful book! This is a step by step guide to creating a meaningful and beautiful piece of personal art. The simple and easy to understand instruction and photos encourage you to create with no pressure or judgment but with a sense of fun and joy. Thanks Rebecca

I just received my copy of RYC and I am SO excited to try so many of the incredible projects. I love the way they are presented and easily broken down, step by step. I know this book will help create some peace and much needed relaxation time for me and my family!

this book accurately captures the incredible talent and dedication of Rebecca Schweiger. The ability to synthesize so many strengths in one book is simply incredible. It feels like you are walking into her art studio and meeting with her as your teacher. How does someone capture that in a book? It is quite remarkable. Rebecca is a celebrated artist, teacher, and now author. The visuals in the books pull you in right away, and the projects guide you to really, guide yourself. This book is a key rather than instruction manual. It's a key to our own self confidence in expression. That, to me, is the highest accomplishment of a teacher, and Rebecca is clearly successful in her book. A wonderful contribution to the world of art, pedagogy, creativity, and a unique gift to students who want to instruct themselves, and need that 1st spark. Rebecca delivers

Clearly one of the most inspiring books I have ever read. Rebecca Schweiger has authored a book

that is motivating with its message and fosters creativity with the 15 art projects. I highly recommend this read for anyone who wants to be motivated to improve their artistic ability.
