Customer Reviews

I bought this book in hopes of learning something new, and I'm so glad I did. I'm a Disney fanatic through and through. I love WDW and go as often as I can. I pride myself on knowing and researching hidden gems, items and things at the World. This book? Far outshines my knowledge. We have 20 more things to see/find in our next trip.

Not good for scoping out Disney World for an upcoming trip. This is more for Disney fanatics that want to know all the ins and outs of Disney World. Good book, just didn't serve our purpose.

This was a fun book. Use as a companion guide on a mobile device while waiting in line at the parks.

Being a Disney nerd, this is awesome! Love this more than the Hidden Mickey ears book.

Simply the best book on Disney I have purchased. Makes you appreciate the parks so much more.

AMAZING book for those who know Disney like the back of their hand and for newbies! So much cool info that makes you love Disney ever more! :)

So much fun to read before a trip to Disney so you know where to look for things listed in the book.

Love this book and the history! I love Disney and this book tops the chart with its informative details! Highly recommend for the Disney enthusiast!
