Customer Reviews

PreSchool-Grade 2-This translation of Penn's book published in 1993 by the Child Welfare League of America deals tenderly with separation anxiety. A small raccoon is reluctant to leave his mother to go to school. The mother raccoon lovingly and patiently explains that her love will always accompany him. She kisses his paw and tells him to bring it to his cheek and remember her kiss anytime he feels lonesome or frightened. Children will love the fact that the raccoons go to school at night in a big old tree along with owls, moles, possums, mice, and bunnies. This is a beautifully illustrated book with a reassuring message lovingly rendered in Spanish. Recommended for public libraries and bookstores. M.O.B. Copyright 2001 Reed Business Information, Inc. --This text refers to an out of print or unavailable edition of this title.

Lindos y coloridos dibujos. Historia tierna . Texto un poco difícil para mi hija de 18 meses pero puede ser contado de manera más simple. Viene con pegatinas que siempre son un hit. Y lo más

importante , a mi hija le encanta ! (Y me llena de besos en la mano por lo que a mamá- también
!)»

First time reading this book, I had heard about it but never knew what it was about. I love it, can't wait to read it to my students on the first day of school.

My sister in law is a professional in early education and she gave us this book when our oldest son was heading to preschool. The story is really sweet and help the kids to understand their feelings toward separation and understand that it is ok. I got the Spanish version for the son of a friend who was having trouble at school drop off time and they also love it.

Just perfect! It's a great story and in español :) What else can I ask for!? Our 2yr old likes it very much. We have a large collection of books in Spanish, and this is definitely on the 'top shelf.'

The best children's stories are the ones that become part of us, the ones that offer comfort and permit us to grow. This book is one of them, quite simply because it speaks about something everyone can relate and also gives a solution to a grownup dilemma: how to comfort someone (and ourselves) when we must be apart from the ones we love, even for a little while. The beautiful illustrations and the soft words of Mother comforts and gives hope just with a promise and a kiss.

We have this book in English and Spanish. Love both

Como una maestra de español en un salón preescolar, habíamos estado buscando un libro para la celebración del amor y la amistad. Este libro se presta a este tema y también sería útil para el inicio del año escolar. Las imágenes y el mismo cuento son encantadores. El libro captivó a mis chiquitos -- cinco estrellas!

We used this book to prepare my daughter for pre school. The mommy raccoon kisses her son's palm and the kiss stays with him all day.
