Phantom Warriors 7: The Dark King

Synopsis

(THIS BOOK IS NOVEL LENGTH AND WRAPS UP THE PHANTOM WARRIORS' SERIES AND THE ATLANTEAN'S QUEST SERIES.) Taylor Shelley has always had the worst taste in men. When her latest ex turns out to be part of the Russian mob, she's offered the chance to start a new life on another planet. No more bad boys for her. Hades, The Dark King is both feared and rejected due to his mixed Atlantean/Phantom heritage. As King of the Phantoms, he rules his land via blood and claw. Hades doesn't have time to watch over a human female, even one as enticing as Taylor, but a debt is a debt. If keeping an eye on the woman for a week will clear the slates, then he'll do it. Taylor isn't sure how a cage-fighting half-breed ended up on the throne, but she wants nothing to do with this royal bad boy. What starts as an obligation, ends in a game of seduction where the players are evenly matched. There's only one rule to remember when playing with the Dark King: "the house ALWAYS wins." (Phantom Warriors 1: Bacchus, Phantom Warriors 2: Saber-tooth, Phantom Warriors 3: Talon, Phantom Warriors 4: Arctos, Phantom Warriors 5: Linx, Phantom Warriors 6: Riot, Hawk's Slave) (Atlantean's Quest 1: The Arrival, Atlantean's Quest 2: Exodus, Atlantean's Quest 3: Redemption, Atlantean Heat, Atlantean's Quest 4: The Return) Warning: This book is VERY spicy and contains mature situations/language. Customer Reviews

HOT, HOT, and steamy. This story sizzles and I could not get enough of these two. In fact the entire series is 5 stars and I just wish there were more. The story line and interaction of the characters is spot on. I highly recommend this book and the entire series.

I've read all the books in J. Summers Atlantean's Quest series....my favorites were the first two The Arrival and Exodus. There was a scene in this one that bothered me. It occurred between Hades and another character, Opal, that if it were me he would have been in the dog house for a lot longer and would have been disturbing to me more than it seem to be to the heroine. I don't knowmaybe her past profession she saw and did more that it wasn't that much of a big deal to her. Over all it was an entertaining read.

I started getting into paranormal books on Kindle with this author. This book didn't disappoint me. It starts with the king repaying a debt and the story took off from there. Interesting sex scenes with different partners. Love characters even the so call bad guys. You know the outcome but you keep reading to find out how, since this supposed to be last of the series. It brought you update about characters previous books in the series. I hope she finds a way to give status about the villain who was put in situation. I enjoyed the read.

This was a really good part of this incredible story of humans and aliens. You will like the twists and turns to these story's. Just enough to make you going back again and again. So enjoy the read and start in the beginning this is the end you have to start with the Atlantean's first! Oh! This isn't the end there is a new one come out just don't know when can fine out!

Jordan Summers is a new author for me, I started with her Phantom Warrior books and moved on to the Atlantean's series. Each one was better then the next. But I have to say the Dark King has to be

my favorite. Taylor and Hades will make you laugh as they both seem to fight the enviable. I don't want to spoil the ending but how Taylor uses her craft from earth will have you smiling. Hades is a typical alpha male but Taylor is able to show his softer side. I look forward to reading more from this author.

This was a fairly long series although the books were short. This book really ties in the Atlanteans with the Phantom Warriors. There are strong characters which are well developed and I love the humor that goes along with this particular book. Some of the scenes are a little unbelievable but they kind of go along with the characters. I just hope this isn't the last book and the author brings in some more to add to the series.

The Dark King was a fast paced story with Tiger on the prowl. Tabby's twin sister Taylor (Tabby is mated to Linx) has finally meet her match in the Dark King Hades. Taylor choices on Earth almost cost her sister and her their lives, she hoping to avoid another mistake with a man. The Dark King has set his eyes on her decides she should be his. Their story will keep you cheering for a happy ending.

I love the entire Phantom Warrior series but I found The Dark King to be the best of all the story. The storyline was interesting and flowed very well. Well written. The characters held their own uniqueness throughout the story. I really hated to have it end. Highly recommend this entire series.
