Life In A Medieval Castle: By Gary L. Blackwood (Way People Live)

Synopsis

In the violent and lawless Middle Ages, a castle was often the only seat of authority, and a nobleman's only protection against rival lords. But it was more than just a fortress; it was also a home for the lord and his family, a training ground for knights.

Best Sellers Rank: #3,595,070 in Books (See Top 100 in Books) #84 in Books > Teens >

Education & Reference > History > Medieval #72688 in Books > History > Europe

Customer Reviews

This book tells about how castles started, what it was like to live in one, and why we don't use them any more. This book was pretty average, there weren't many exciting parts but there weren't any bad parts. It would make a great study guide though and I learned a lot from reading it.
