The Making of the West, Volume 2: Since 1500: Peoples and Cultures

Very informative book. Good condition. I have no complaints.

got through class

Good

I ordered this book and expected it to be the fifth edition (as the seller stated). Unfortunately, I was disappointed when I opened the package and saw the third edition..

Great!

New and shipped on time.

This was my first knife that my boyfriend bought me and I couldn't love it more! I love how easily the blade opens and I love the feel to it. Although the color is not true to the picture it's still very sleek looking. Perfect EDC knife
